

**Granger Elective Night
January 16th 7pm – 8pm**

Parents of current 5th grade students at Granger’s feeder elementary schools are invited to attend an informational meeting regarding Middle School Encore/Elective Options for the 2018-2019 school year at Granger Middle School.

**Staying Connected
April 24th 6:45pm – 8:15pm**

This orientation is designed for both parents and incoming 6th grade students.

During this event, parents will learn general 6th grade information to ease the transition from elementary to middle school. Teachers will provide information on “staying organized in middle school”, Counselors will provide information on navigating the “social emotional” middle schooler, and a Speaker will present on “technology and the middle school student.” Students will have the opportunity to meet with Granger Grizleaders for “getting to know you” activities that ease the uncertainty of the middle school transition.

**Helping Middle School Students Navigate Life
December 14th
6:00pm – 6:30 Refreshments 6:30 – 7:30 Presentation**

Granger Middle School will host presenter Dawn Neylon from Youth 360 Services. Ms. Neylon will present to parents on how to help their middle school student *Navigate Life*. Topics that will be discussed include but are not limited to; resiliency, coping with stress, and managing emotions. Please plan to join us for this information session. Refreshments will be served.

**Vaping
January 25th 7pm – 8pm**

With the increased popularity of vaping and e-cigarettes among society’s young people, it has become even more important for adults to be informed and understand the effects and health concerns related to vaping. Please join Granger Middle School as we host presenter Nicole Partacz from Youth 360 Services who will address many of the issues related to vaping as well as what adults can do to support their student.
